

2016 Annual Report
South Dakota Professional Administrators Practices and Standards Commission

The Professional Administrators Practices and Standards Commission hereby files this report with the South Dakota Board of Education.

The Commission is charged with the responsibility of reviewing possible violations of the code of ethics for administrators. When the Commission determines that cause exists to believe an administrator has violated the code of ethics, the Commission holds a contested case hearing. Ultimately, the Commission may reprimand or recommend a disciplinary action which may be implemented by the appropriate governing body against a member of the teaching profession, if the member has been determined by the Commission to have violated the code of ethics established under SDCL 13-43-45. If the Commission determines that proceedings to revoke or suspend the certificate of an administrator should be instituted, the Commission files a written complaint with the Secretary of the South Dakota Department of Education.

During calendar year 2016, the Commission received four complaints. The Commission met on six occasions and reviewed each complaint filed in 2016. The Commission held no contested hearings in 2016. Three complaints were dismissed. There was one complaint pending at the end of 2016.
